Entry No	

2026 IntGOMA Introductory Test

Introduce
Shooting at Walk

PURPOSE
To confirm the equine and rider have the necessary skills to perform mounted archery at the trot. All trot work may be ridden sitting or rising unless otherwise stated. Gaited horses may perform their respective gait instead of trot. Halts may be through the walk. All shots must be taken in the 2-point.

Maximum Points	270

Target size	Target 1 Placement	Target 2 Placement
30 inches	7 meters outside between K & E	7 meters outside between F&B
Number of arrows: 1		

READER PLEASE NOTE: Anything in parentheses should not be read.
Conditions: Arena Size: Standard or small
Average Ride Time: 5
