The archer will have 10 seconds to shoot as many arrows as possible into the target at 7 yards. The archer must not touch the arrows before the Judge says start. The archer must not release an arrow after the Judge says stop. Any arrows released after the Judge says stop will score 0. If an archer touches an arrow before the Judge says start they will receive a negative penalty point and have one opportunity to redo the round. If they repeat the offense they will be disqualified. Arrows will be scored on an 80 CM FITA target. The number of arrows released will be added to the total score.
